Installation scheme managed by www.climateenergy.co.uk

INSULATION AT THE DROP OF A HAT!

CUT YOUR HEATING COSTS!

You could be entitled to a government grant for discounted or free home insulation

INSULATION WILL SAVE YOU MONEY!

By insulating your home, you can make it warmer, save energy, and save on heating bills.

Around half of all heat loss in a typical home is through the walls and loft. If your home doesn't have effective wall or loft insulation, you could be wasting more than £350 every year.

Your Council is offering discounted or free:

- Loft insulation
- Cavity wall insulation
- Internal wall insulation
- External wall insulation
- Wood-fuel boilers for properties with no available gas supply

THERE'S NO CATCH!

Warmth for 1000 is a scheme run on behalf of seven local authorities in Surrey and Hampshire: Elmbridge, Guildford, Hart, Runnymede, Spelthorne, Waverley, and Woking.

This scheme is funded by government, local authorities and by major energy suppliers.

Who's eligible for help

There is assistance available for everyone. Loft or wall insulation or wood-fuel boilers may be **discounted or free** if anyone in your privately owned or privately rented household meets one or more of these qualifying criteria:

- Aged 70 or over
- Receiving Council Tax Benefit
- Receiving Guaranteed Pension Credit
- Receiving Income Support
- Receiving Housing Benefit
- Receiving Working Tax Credit, with gross annual income less than £15,050
- Receiving Child Tax Credit, with gross annual income less than £15,050
- Aged 60 or over in a household with gross annual income less than £15,050
- A parent with a child under 16 in a household with gross annual income less than £20,000

Even if you do not meet these criteria, you could be eligible for a discount of 50% or more.
